# FOUR BUSINESS

MACHINE VISION LENS

A collection of various black machine vision lenses of different sizes and focal lengths, arranged in a cluster.

SECURITY LENS

Two white, rectangular security camera lenses. One is standing upright, and the other is lying flat in front of it. Both have labels with technical specifications and a small color calibration chart.

ILLUMINATION

A close-up of a circular LED illumination ring with many small, bright green LEDs arranged in a ring. The ring is mounted on a black frame.

CUSTOMIZATION,  
NEW DESIGN

A technical line drawing of a complex mechanical assembly, likely a camera or lens component, showing various internal parts and mounting points.
