WATER TREATMENT, COOKING & NUTRITION

SOLUTIONS FOR SPECIAL FORCES AND DEFENSE

A close-up photograph of a Katadyn Combi Water Filter in military green. The filter is being held by a hand wearing a brown and green camouflage glove. Water is being poured from the filter's spout into a body of water, creating a large splash and many droplets. The background is a blurred natural setting with green foliage.

When duty calls, we're with you
to ensure strength in your every move,
focus on your every thought, because
we know every moment matters.

Katadyn Combi Water Filter, military green

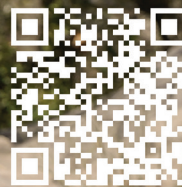

THE WORLD'S BROADEST PORTFOLIO OF WATER TREATMENT OPTIONS

Katadyn offers the world's broadest portfolio of water treatment options available from a single manufacturer. From portable desalination solutions to personal water treatment options, we have you covered. The tough rely on Katadyn hydration solutions to help sustain focus, power and life - no matter what. No matter when. No matter where.

Only a selection of our broad portfolio of water treatment options.
