ATAAD

Who We Are

ATAAD, one of Barzan Holdings Group companies, established in 2017 in the State of Qatar. The company excels in the manufacturing and supply of military equipment, as well as advanced security and safety tools. Renowned for its expertise in textile production, ATAAD specializes in designing and producing uniforms tailored for a variety of professional applications. Operating cutting-edge manufacturing facilities both within Qatar and internationally, ATAAD leverages the latest technological advancements to produce high-performance military gear, accessories, and specialized apparel. Our mission is to deliver innovative, premium-quality products that meet and exceed the highest standards of performance. Backed by a team of highly skilled designers and industry experts, we prioritize understanding and fulfilling our customers' unique requirements. By offering comprehensive solutions across multiple sectors, ATAAD has earned its reputation as a trusted partner, committed to excellence and reliability in all aspects of its operations.
