Raedam

THE WORKPLACE PARKING SOLUTION, DEFINED BY YOU.

Highly modular with unparalleled levels of configuration — Raedam empowers you to make workplace parking a positive experience for staff, and better for the environment.

Why Choose Raedam

Reduce overheads.

Cut parking admin costs by up to 70% by automating application scoring, approval, and permission allocation.

Improve satisfaction.

Boost staff satisfaction by prioritising high-need employees and streamlining the permit and booking processes.
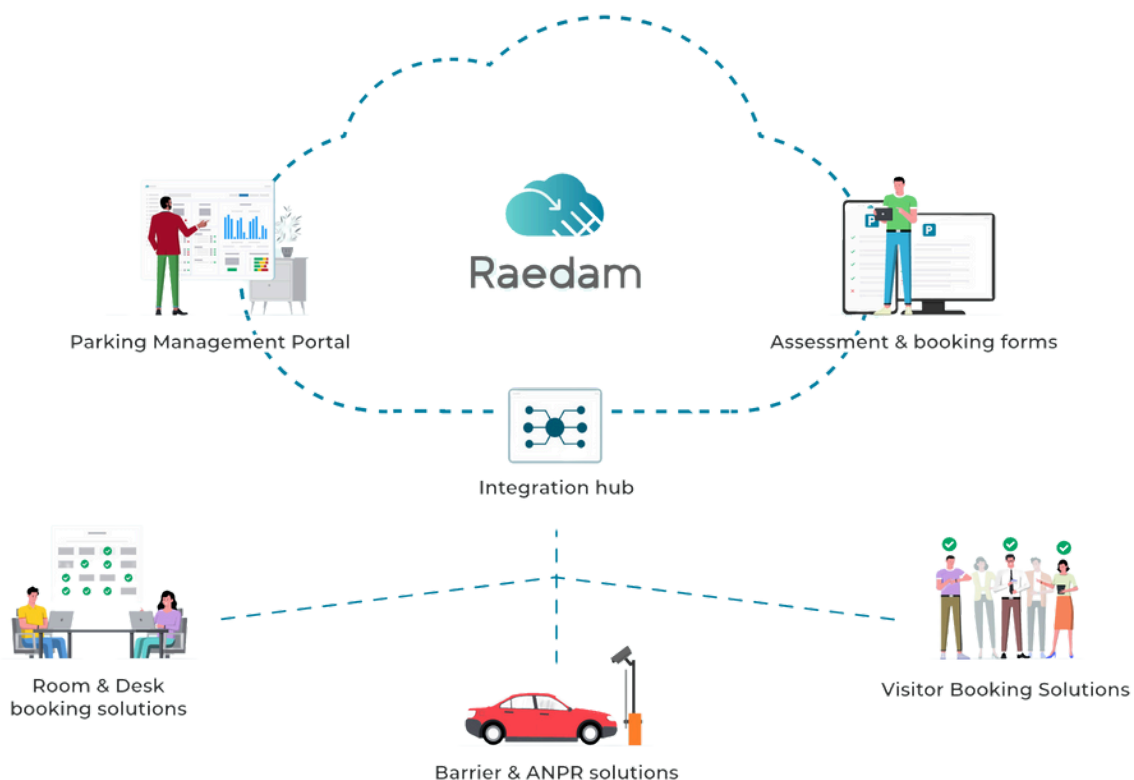

Bolster security.

Streamline enforcement, and integrate with barriers and ANPR cameras.

Promote green travel.

Go green with custom parking rules that prioritise eco-travel, track CO2 emissions, and monitor sustainability progress.
